Experience

Previous post

2002-2009

Far East Region

Position: Navigating Officer; Safety Officer; Cargo Officer

Worked from the Arctic Ocean to the South China Sea, on different types of vessels such as General Cargo; Dry Cargo; Multipurpose; Container Ship. Got a good experience in difficult conditions, severe storms and bad weather. Worked with draft survey programs for loading and discharging bulk cargoes. Sailed in a mixed crew with Filipinos, Koreans, Syrians, Belgians and Ukrainians.

2009-2011

Ro-Ro "Catherine"

Mediterranean & North Sea

Position: Navigating Officer

During the work, got good skills in the field of navigation, and studied the work of different equipment of the German and Japanese manufacturers Kongsberg & Furuno. M/V "Catherine" raced between France, Italy, Spain, Tunis, Libya, Portugal, Northern Ireland & Sweden.

2011-2012

Ro-Ro "Adeline"

North Sea

Position: Safety Officer

My company has invited me for a new ship on which, I established and implemented a program for the ship's inspection, according to LSA & FFE code. I monitored the work of all safety equipment. M/V "Adeline" shuttled between the United Kingdom, Belgium, and the Netherlands.

Last post 2012-2016 Rail-Ro Ferry “Baltiysk” Baltic Sea
Position: Chief Officer
Started work on the railway ferry. I engage in cargo operations as well as the main responsibilities for the implementation of the requirements of international conventions. Today, M/V “Baltiysk” - the vessel that carries strategic importance, performing transportation at the governmental level.
